

# LAPD West Valley's National Night Out

**Tuesday, August 6, 2024**

6:00 pm to 10:00 pm

Randall D. Simmons Park

(located on the corner of Vanowen St and Wilbur Ave)

National night out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community. Furthermore, it provides a great opportunity to bring police and neighbors together under positive circumstances. We will have children activities, free refreshments, and will be showing Trolls the movie as soon as it gets dark. If you have any questions please contact West Valley's Community Relations Office at (818)374-7687
