**ABOUT POLICE PERMITS**

Some businesses are required to obtain a police permit before starting operation. The police permit application process allows the City to obtain information concerning ownership of a business and to inspect the ongoing operation during normal business hours. A background check is also performed during the processing of the application. On October 15, 2014, a procedure was adopted to inform neighborhood councils of First Amendment\* applications pending action by the Police Permit Review Panel.

The select descriptions below are provided to answer common questions. The descriptions are general and do not contain the full details and requirements of the Los Angeles Municipal Code. The Los Angeles Municipal Code is available at [cityofla.org](http://cityofla.org), under City Government --> "City Charter, Rules and Codes."
