(See noted comments by Kathy Patterson):

Dear Executive Committee:

Below please find my email to the interim chair of the Bylaws Committee.

To this date, I have not received a response from Mr. Bailey. Now, the Bylaws Committee has had over 2 and 1/2 months to review and advise about the Removal by the Board Clause (already dictated by DONE). However, it appears that the committee or chair is not willing to meet on the subject at all.

Since the Executive Committee's meeting is fast approaching, as the chair of Ad Hoc Committee on Removal and Censure, I request that the matter be sent to our Ad Hoc Committee for review. Accordingly, please include in your agenda the following. The Ad Hoc Committee to meet on:

1. Petition by Board - A Board Member may be removed from the Board for good cause, including, but not limited to, disruptive conduct; interfering with Council business; violations of the Bylaws, Operating Procedures or Code of Conduct following a Board Member's submission to the Board of a petition which includes: i) the identity of the Board Member to be removed, ii) states the reason for removal by identifying the violation of the internal rules or procedures and specifies the conduct of the person, and iii) contains the signatures of at least [select one] three (3) OR [insert number] Board members.

a. The petition shall be delivered simultaneously to all Board Members and the matter placed on the agenda and scheduled for a vote at the next regular Board Meeting.

b. Removal of the identified Board member requires a [select one] two-thirds (2/3) majority OR majority of the attending Board Members.

c. The Board Member who is the subject of the removal action shall have the right to deliver to Board Members a written statement about the matter and/or to speak at the Board Meeting prior to the vote, but shall not be counted as part of the quorum, nor allowed to vote on the matter.

d. The Board member being removed must first have been censured by the Board once for the same action before a Petition by the Board for removal shall be considered by the Council.

Please bear in mind that the application and interpretation of censure clause as recommended by Ad Hoc Committee will be read for the second time at the general meeting. The Bylaws Committee had no reason to delay its meeting based on the finality of the application and interpretation of censure as the censure clause by itself and as dictated by DONE has been approved by the general board. The minor changes in the language of the application and interpretation of censure will not affect the Removal by the Board clause.

Thanks for your attention on this matter.
Kathy Moghimi-Patterson
