8. Individuals whose stakeholder status is otherwise established because of their living, working or owning property within the Council boundaries, having the right to run for and vote for other Board positions as set out in these bylaws, shall not be qualified to vote for or run for either of the two (2) “reserved at large representatives” positions.

(Passed 5-0-0)

c. Bylaws Committee Recommendation (1/14/13): to implement the following Mission Statement: The ENC provides a forum for community participation through means of discussion of issues and projects facing Encino. The ENC will work with the community in analyzing and presenting proposals and recommendations to the City Council. The proposals and recommendations of the ENC shall be in the form of a Community Impact Statement (CIS). The CIS will include findings of fact, recommendations and a summary of the public input (i.e. speaker’s

comments). Should there not be a consensus on an issue, then a Majority Statement and a Minority Statement will be included in the CIS.
