SHEILA KUEHL
SUPERVISOR, THIRD DISTRICT

March 21, 2016

Dear Glenn, Bill, Debra:

Tim Sexton of Make Good Group is sponsoring the Oct 7-9th festival in Woodley Park and the Sepulveda Basin. Based on his track record as an events producer, I feel sure that he and his people will make certain the festival will have no long term impacts to the park. Trash, traffic, recycling and noise concerns have all been dealt with and any short-term impact will be mitigated by the pre-festival bond.

The upside seems quite significant: I am told that a portion of the ticket sales will go to the LA Parks Foundation with 50% going to the Sepulveda Basin. Some of the thousands of visitors may learn the importance of the Basin and become aware of its recreational opportunities. They may even become supporters of its continued protection and the restoration of this wonderful LA resource.

In case it's helpful in making your decision about the festival, I wanted you to know that I can vouch for Tim, his abilities and his integrity. Please feel free to share this letter with your colleagues on the wildlife committee.

If you have any further questions, please don't hesitate to reach out to my office.

Best regards,
