## PURPOSES OF NEIGHBORHOOD COUNCILS

Neighborhood Councils are designed to give stakeholders a forum for addressing issues important to your community. Recommendations made by Neighborhood Councils pertain to:

- Planning and Land Use
- City Services
- Policies
- Homelessness
- Public Safety
- Traffic & Transportation

## STRUCTURE OF NEIGHBORHOOD COUNCILS

Your Neighborhood Council is governed by elected volunteers who live and/or work in Encino. The Council meets monthly to discuss key issues and allows for speakers from the public to submit agenda items.

Community members are invited to ask questions and voice opinions during meetings.

There are also opportunities to become involved with one of our committees.
