The CIS might note that the failure to provide HMIS access has been a significant impediment to Council District outreach efforts and it needs to be implemented forthwith. Further, as the motion has already been passed by the Los Angeles City council, to request a report back on whether the following requests have been implemented or are in process: REQUEST the Los Angeles Homeless Services Authority report to Council on granting full access to the HMIS to the CDHCs,

or other options. 2. INSTRUCT the City Administrative Officer (CAO) to develop standardized training and protocols for the CDHCs so that they are able to best help house the homeless.

- D. Discussion and possible action.** A motion recommending that the board of the ENC approve a CIS recommending support of [CF 22-0002-S107](#) Resolution (Raman - Blumenfield) relative to the including in the City's 2021-22 State Legislative Program its position on legislative or administrative action to enact changes to the California Health and Safety Code that will increase the daily reimbursement rate for board and care home residents who receive SSI, SSP, or Medi-Cal. The City Council has passed this resolution, support can only help to stop the escalating closures of board and care homes.
