## About this item

- **Purposeful Design:** Travel with ease and look great doing it with the Aspire's 3 thin, light design.
- **Ready-to-Go Performance:** The Aspire 3 is ready-to-go with the latest AMD Ryzen 3 7320U Processor with Radeon Graphics—ideal for the entire family, with performance and productivity at the core.
- **Visibly Stunning:** Experience sharp details and crisp colors on the 15.6" Full HD IPS display with 16:9 aspect ratio and narrow bezels.
- **Internal Specifications:** 8GB LPDDR5 Onboard Memory; 128GB NVMe solid-state drive storage to store your files and media
- The HD front-facing camera uses Acer's TNR (Temporal Noise Reduction) technology for high-quality imagery in low-light conditions. Acer PurifiedVoice technology with AI Noise Reduction filters out any extra sound for clear communication over online meetings.
- **Wireless Wi-Fi 6 Convenience:** Maintain a strong, consistent wireless signal with Wi-Fi 6 (aka 802.11ax) and 2x2 MU-MIMO technology.
- **Improved Thermals:** With a 78% increase in fan surface area, enjoy an improved thermal system and an additional 17% thermal capacity. Allowing for longer, more efficient work sessions while not plugged in.
