4) Please describe the purpose and intent of the grant.

The AES Parent-Teacher Association, on behalf of the Academy for Enriched Sciences, an LAUSD magnet elementary school in Encino, is applying for funds to fund a Family STEM Night hosted by Impossible Science (https://impossiblescience.com), an organization known for its unique approach to making science appear magical. This event will align with the school's mission to inspire curiosity and critical thinking by offering students hands-on, interactive experiences that blend science, technology, engineering, and mathematics with the wonder of illusion. The intent is to create a memorable, educational experience for teachers, students and

5) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)

This grant will serve the public by providing students and their families with free access to a unique, educational experience that combines the excitement of magic with the rigor of STEM learning. By making science accessible and fun, the program will encourage students to pursue further education in STEM fields, thereby benefiting the community at large by fostering a generation of innovative thinkers and problem solvers. This investment in STEM education promotes educational equity and community engagement, contributing to the broader goal of preparing students for future challenges in a rapidly evolving world.
