7. Legislative Considerations

- A. [Council File 25-0331](#) - ENC Public Safety Committee recommends submitting a CIS supporting CF 25-0331. This requests a report to assess consolidating the Crisis and Incident Response through Community-Led Engagement (CIRCLE) program and the Unarmed Model of Crisis Response (UMCR) into one program in hopes of reducing operational costs and providing more uniform service throughout the city.
- B. [Council File 25-0969](#) - ENC Public Safety Committee recommends submitting a CIS supporting CF 25-0969 which seeks to withdraw the maximum legally allowable funding from LAHSA and instead contracts with Department of Homeless Services and Housing which is the new County department of homelessness.
- C. [Council File 25-0002-S77](#) - ENC Public Safety Committee recommends submitting a CIS supporting CF 25-0002-S77 which is a City Council resolution supporting Senate Bill 682 (Allen). SB 682 regulates PFAS in consumer products under the Safer Consumer Products Program, advancing statewide efforts to protect environmental and human health.
- D. [Council File 24-1480](#) - Public Safety Committee recommends submitting a CIS supporting CF 24-1480. This council file identifies widespread fiduciary incompetence within the Los Angeles Homeless Service Authority (LAHSA). It seeks to bypass LAHSA and directly contract with Service Providers, We also request that City Council take immediate action to investigate funding allocated to, and spent by LAHSA, which is presently unaccounted for; and seek to impose criminal liability on agents of LAHSA deemed responsible if findings conclude that misconduct and/or likely embezzlement occurred.
- E. [Council File 25-1024](#) - Public Safety Committee recommends submitting a CIS supporting CF 25-1024. This allows for the expenditure of \$1.5 million for discretionary LAPD expenses. This is permitted annually by LA administrative code but must be approved by City Council. The money forfeited in relation to drug trafficking and other federal crimes.

- F. **Council File 25-0002-S81** - Public Safety Committee recommends submitting a CIS supporting CF 25-0002-S81. This is a City Council resolution supporting SB 483 (Stern) which will give courts the discretion to deny diversion if it concludes that, despite the proposed treatment program and any available terms and conditions of diversion, the defendant poses an unreasonable risk to the physical safety of another. Currently, diversion automatically allows dangerous criminals to avoid jail, and have their record wiped clean, even if they remain a danger to society.
