Neighborhood Council Funding Program**

Neighborhood Purposes Grants

Neighborhood Purposes Grants (NPGs) provide NCs opportunities to develop partnerships with local 501(c)(3) nonprofits and public schools to build community and enhance neighborhoods in the City of Los Angeles. Projects and activities supported by NPGs vary widely and can include, but are not limited to:

- The Arts
- Beautification
- Community Support
- Education
- Community Improvements

NPG-funded projects and activities must be for a **public benefit** and purpose, **open**, **accessible**, and **free of charge** to stakeholders.

Grants approved by NCs exceeding \$5,000 involve further review and possible City contract by the Office of the City Clerk.

Visit the NC Funding Program website page on NPGs ([click here](#)) to find out more details about how 501(c)(3) nonprofits and public schools serving NC areas can apply. There are two NPG Information Packets; One for prospective applicants to help guide them in the application process, and one for NC board members outlining considerations and factors to keep in mind while evaluating NPG requests.

A “Project Completion Report” template is also provided to help ensure accountability in the use of Grant funds and help demonstrate how NCs and their partners are supporting L.A. communities and stakeholders. NCs and NPG recipients are strongly encouraged to work together to complete and submit the Report at the conclusion of the project.

Any questions you may have with the NPG process, please contact us at the NC Funding Program:

Encino Invoice 2026.pdf; 2026_Senior_Symposium_Budget.xlsx;

Hello Pilar,

Please see responses below and attached. If you have any additional questions please feel free to contact me.

- Can you provide the number of Encino attendees from the 2025 event?- according to our preregistration and day of registration lists we had 37 people from Encino attend the event.
- What contributions (cash or in-kind) are being provided by corporate or government sponsors? The committee has requested a budget showing both revenue and expenditures.- As of today, we have received pledges for sponsorship of this event in the amount of \$4900. We also have in-kind sponsorship of bottled water for the event. We are trying to secure more sponsors but, in all honesty, this is proving to be a very challenging task this year. I have attached a spreadsheet with our expected expenses for this event.
- How has the event changed from prior years (workshops, lunch, offerings, format)? Our symposium will closely mimic last year's event. We will vendors present providing information to attendees, various health screenings, special presentation on the field to accommodate all those that would like to attend, DJ playing music, Zumba exercise, lunch provided to the first 250 people and raffle.
- Is there a fee for having a booth or table if the ENC chooses to purchase a table in lieu of the NPG? If you would like to participate in the event as a regular vendor with no sponsoring benefits it would be \$400. If you would like to participate and receive some of the sponsoring benefits \$750. Sponsoring Benefits include logo on promotional flyers, logo on pop-up banners at entry of event, mention on social media and in the event program. I have attached an invoice for this amount should you choose to proceed with this option.

Thank you again for your continued support,

Subject: Re: Neighborhood Purposes Grant Request from ONEgeneration 2026

Hi Fina,

I wanted to follow up and see if you have had a chance to pull together the information we discussed. We have a board meeting next week and I would love to include it on the agenda, however I will need the item submitted no later than Friday at noon.

Please let me know if you have any questions or need anything from my end.

Thank you,

Best Regards,

Pilar DeFreest
