Treasurer will ask applicant to make any necessary corrections before referral to committee.

2) Primary Committee Referral: Once verified for funding, the Treasurer shall refer the application to the standing committee whose primary focus most naturally aligns with the request (e.g., school-related grants to the Education Committee; community-outreach projects to the Outreach Committee). Treasurer will inform committee of available funding and any application concerns that could cause City to deny funding.

3) General Referral: In instances where an application falls outside the specific scope of a subject-matter committee, or if the relevant committee is inactive, the Treasurer shall forward the application to the Executive Committee. Treasurer will inform committee of available funding and any application concerns that could cause City to deny funding.

4) Committee Action and Recommendation: The receiving committee shall agendaize the application, provide an opportunity for public comment, and vote on whether to recommend the grant to the full Board.
