## EDUCATION COMMITTEE MEETING

Date: APRIL 15, 2015

Location: VALLEY BETH SHALOM

### Proposed Minutes:

Shelley Rivlin, Chair, called to order at 4:35 p.m. Present were committee members Shelley Rivlin, Jean Strauber, Kathy Kantner. Cecily Lerner was excused. Also attending: Joyce Alison, and Marcia Koff. Quorum was present.

Shelley explained that there was some controversy about the meeting being held at a community center that requested photo ID to assure security.

Committee was welcomed by Sheva Locke, Head of Harold Schulweis Day School, who described their program and the technology which was slowly phased in with comprehensive staff development under direction of Sam Gliksman.

Minutes of January 17, 2015 were unanimously approved as read.

Shelley described the stalled process of the grants that were approved by the ENC Board. Department of Neighborhood Empowerment will release funds once the new treasurer has resolved all remaining issues. DONE is aware of the schools' calendar.

There was a brief review of the testing procedures at each site which did not have major snags, and the need to encourage stakeholders to complete the District survey.

**Carrie informed us that the new District organization is not yet in place. Marcia reported that nearby contractors are being considerate of the school during construction.**

**The committee chose to make this our final meeting of the school year unless an issue arises. We will meet in August, 2015.**

**There was no public comment.**
