- Low maintenance and long lasting
- A favorite among parks and commercial facilities
- Looks like real treated cedar but with the benefits of recycled plastic planks which will never splinter or rot
- **Custom engraving voids any quick ship eligibility**

DESCRIPTION

Using nine (9) recycled plastic slats and a powder-coated, heavy-duty cast aluminum frame, this bench is environmentally friendly while being securely braced with length and width supports.

This bench is also very durable, as it will not crack or splinter, and comes standard with heavy-duty zinc-coated hardware.

This bench is available with either a black or green frame and your choice of multiple color options for planks. This bench is also available in 4-foot (289-1026), 5-foot (289-1127), and 8-foot (289-1129) lengths.

----- ENGRAVING = 38 CHARACTERS PER BOARD (*includes spaces) -----

NOTE: Adding a custom engraving to this product will void any quick ship eligibility for the item and the lead time would revert to the standard lead time for customized products.
